

## Directions to *theIDLgroup* by Road

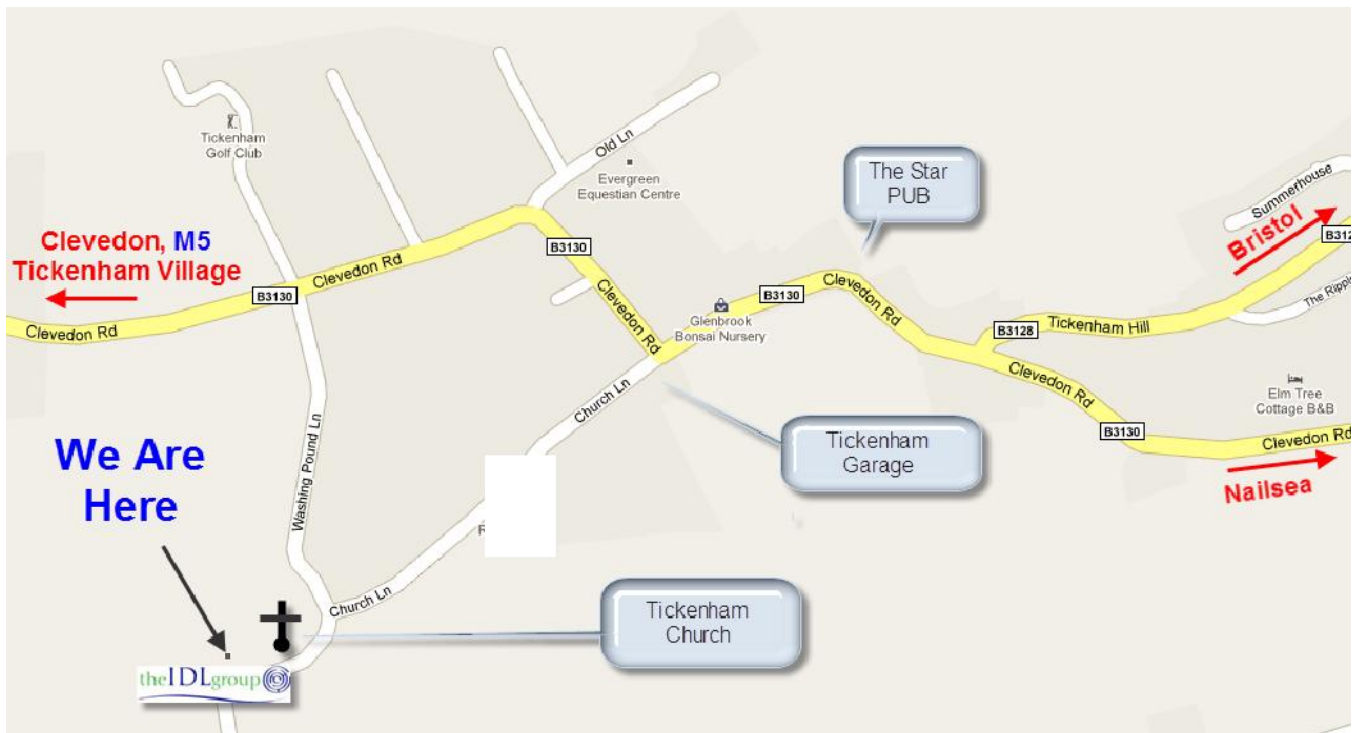

At Junction 20 of the M5, take the turn-off to Clevedon. Then, after 100m, there's a roundabout - turn right (3<sup>rd</sup> exit) at this roundabout – following the signs to Nailsea (B3130). Carry on around half a mile to a mini-roundabout; and turn right there again (2<sup>nd</sup> exit) onto the Tickenham Road (this is the B3130). Proceed through Tickenham village (**warning ! Speed Camera**) for about 2 miles. Once you are out of the village, look for a small turn to the right called Washing Pound Lane. Then go ¼ mile, past Tickenham Court; bearing sharp right (**care !**) onto Church Lane, past the Church and we are in the two single storey barns immediately next to the Church (see detailed map overleaf).

If travelling from Bristol via the B3128/B3130. or from Nailsea on the B3130, you turn left at Tickenham Garage (just after the Star Inn) – that's Church Lane. Go down that road half a mile, and it brings you out by the Church, and again we are just past the Church.
